I study graphic design and crossmedia in Ghent. I'm interested in typography, imagery and visual communication, alongside photography, film and video editing. I like understanding why a design works and continue to refine my approach through school projects and personal work.

Education

Don Bosco Sint-Denijs-Westrem, Ghent

2026 – present	**Crossmedia**
2024 – 2026	**Graphic Techniques**
2022 – 2024	**STEM techniques**

Availability

Available for student jobs, after school, at weekends and during holidays. Depending on my class schedule.
